POSITION AVAILABLE

Date to be Posted: ASAP

Position Title: Assistant Professor (Tenure Track) Nutrition/Obesity Studies.

Institution (Location): The Department of Health and Human Performance at University of Houston.

Start Date (and other relevant dates): August 2012

Salary: Commensurate with qualifications

Candidate's Qualifications (who should apply):

Ph.D. in nutrition, psychology, sociology or any related biological, behavioral, or clinical science. Registered Dietitian credentials are preferred but not required. Ability to conduct and publish quality, high-impact research. Potential to engage in cooperative research projects with medical, community and governmental agencies located in Houston. Graduate and undergraduate teaching, web/technology skills and postdoctoral experience are desirable. Preference given to candidates interested in conducting research on a variety of populations including those dwelling in underserved urban areas. The University of Houston is an Equal Opportunity Affirmative Action employer. Minorities, women, veterans and persons with disabilities are encouraged to apply.

Position Description: Teach graduate and undergraduate courses in nutrition and/or obesity studies. Train graduate students in nutrition and obesity studies. Develop and maintain a vigorous scholarly research program that will foster acquisition of external funding and enhance graduate student recruitment and training. Perform service to the department, college, university, and the profession.

How to Apply: Review of application materials will begin December 1, 2011 and continue until the position is filled. Submit a letter of Application, Curriculum vitae, academic transcripts and three letters of reference to:
