Position Title: Senior Lecturer – Three Year appointment

Institution (Location):  
Department of Nutrition & Dietetics  
Monash University, Melbourne, Australia

Start Date (and other relevant dates): As available

Salary: A\$105, 724 - \$121-906 pa Level C (includes employer superannuation contribution of 17%)

Candidate's Qualifications (who should apply):

Applicants who have a PhD, or equivalent qualification, and an excellent research and teaching record are invited to apply. A demonstrated interest and experience in any of the following areas are particularly welcomed: genomics, nutritional science, food science or nutritional physiology. The successful appointee shall demonstrate high level of interpersonal skills and will be required to contribute to the academic, teaching, research and administrative leadership within the Department.

Position Description:

Monash is seeking an outstanding appointee for the position of Senior Lecturer for the Department of Nutrition and Dietetics, Faculty of Medicine, Nursing and Health Sciences, Monash University. The position will be based at Monash Medical Centre, Clayton and will have a particular focus on the delivery of research activity.

Located within the Southern Clinical School at Monash Medical Centre, the Department of Nutrition and Dietetics has a vision to continue developing as a world class centre for nutrition research. The Department has strong links with many clinical and community partners with abundant opportunities to develop collaborative research. There is a significant focus on developing the Department's translational capacity to be able to move research into practice settings and also to utilize genomics to develop and inform diet, activity and nutritional interventions.
