B) GENERAL RULES FOR PARTNERSHIP, SPONSORSHIP AND DONATIONS
All organizations need partnerships (financial and other), sponsorship and/or donations to facilitate their mission through professional activities. ISBNPA’s primary sources of financial support are membership dues and annual meeting registration fees. ISBNPA may also solicit partnership (financial and other), sponsorship or donations from individuals and organizations (including businesses, governmental and other not-for-profit organizations) for its activities (see above).
This policy guides ISBNPA’s engagement in activities of partnership, sponsorship and acceptance of donations with the aim to fulfill its vision, mission and purpose.

The purpose of this policy is to:

- Recognize that partnerships, sponsorships and donations can contribute to the sustainability, affordability and continuing success of ISBNPA.
- Establish guidelines for the Executive Committee (EC), Local Organizing Committee (LOC) of the annual meeting and other office bearers, to ensure fair and consistent practice of establishing partnerships and sponsorships and accept donations in an ethical, efficient and transparent manner across all of ISBNPA’s activities.

C) POLICY PROCEDURES
ISBNPA may enter Partnership or Sponsorship agreements with or accept a donation from an individual or organization in expectation of mutual benefits and where the assessed benefits for ISBNPA outweigh any assessed risks.

When ISBNPA enters a partnership/sponsorship agreement or accepts a donation it signifies that ISBNPA has reached a mutual understanding with the partner/sponsor/donor. The scope and responsibilities of the parties under the agreement and the timeframe for the agreement are described in a legal contract which must be signed by the President of ISBNPA or someone the EC delegates this to.
The ISBNPA sub-committee on Sponsorship will assess proposed partner-/sponsorships/donations using a standard checklist. Each partner/sponsor will be scored by at least 2 members of the sub-committee. The reports will be reviewed by the full sub-committee, and a recommendation will be given to the EC.

The EC will review the report from the ISBNPA sub-committee on Sponsorship and approve by majority vote any partner/sponsor/donor prior to accepting any partnership (financial or other), sponsorship or donation and proceed to write the contract.

CONFLICT OF INTERESTS
Members of the EC and the sub-committee on Sponsorship are expected to disclose any potential conflicts of interest (such as current relationships with potential partners, sponsors or donors in the form of receipt of funding, board or committee membership, and so forth) upon entering the EC or the sub-committee. The Conflict of Interest statements should be revised continuously for as long as they serve on the committees. The most current Conflict of Interest statements are posted on the ISBNPA website whereas previous ones are archived.

A member of the EC or the sub-committee on Sponsorship who has a current relationship with a potential ISBNPA partner or sponsor will be reviewed by the EC/the sponsorship sub-committee on an individual basis for consideration of whether the member is eligible to vote on acceptance of any given partner-/sponsorship or donor.

TRANSPARENCY OF PARTNER-/SPONSORSHIP OR DONATIONS
All support will be publicly recognized in the annual meeting program, journal title page, or other relevant media, as appropriate. All industry, foundation, or government sponsored scholarships, symposia, meals, etc. will be acknowledged by a statement in the program or by a representative of the ISBNPA (e.g., the meeting chair). Partner-/sponsorships or donations that are ongoing or have been in the last year are posted on the website, and updated continuously/before each annual meeting.
